

MINISTRY OF FOOD

Standard Procedure at the Counter for the Operation and Issue of R.G.48

A. TYPES OF APPLICATION

- Main Types :** These are set out below in groups.
- Evidence :** Refuse application if the evidence set out below under its type is not produced.
- Exceptional Types :** Refer to the Supervisor: any type not classified below.

B. MARKING OF THE RATION BOOK

- First**—be sure evidence satisfies the requirements of Section A.
- Food Pages :** Mark these as set out in Col. 1 below. If pages missing, refuse application until produced.
- If applicant** is not a Ration Book holder, follow procedure of Section E.
- R.G.12A Page (or R.B.8X) :** Endorse on panel(s) of retailer(s) for the food(s) allowed in Col.3 the details set out in Col.2.
- If applicant** is not or cannot be registered, follow procedure of Section E.

C. WRITING AND ISSUE OF R.G.48

- After marking Ration Book as set out in Cols. 1 and 2, prepare R.G.48 in triplicate (a separate set for each food).
- In the panels along the top corresponding to the headings below, enter the details set out in Cols. 3 to 7.
- In the body, enter consumer's and retailer's names and addresses, and impress Food Office stamp on the top copy.
- Detach top copy and stick in applicant's Ration Book.
- Later Action :** Impress Food Office stamp on second copy of every completed R.G.48 and pass together with the third copies to the Retailers' Section in the Food Office.

MANUSCRIPT NOTES & ADDITIONS

BABY GROUP

1 Baby age 6-18 months :

Verify age by reference to date of birth on R.B.2.

2 Mother of Baby age under 1 year (R.G.48 for Mother's R.B.)

Verify baby's age by reference to date of birth on R.B.2.

D. LIST OF OCCUPATIONS RELATIVE TO TYPE 7:

- NOTES:**
1. Normally the special cheese ration should only be granted to type 7 cases where no adequate catering facilities are available.
 2. In dealing with applications, reference should be made to the relative sections of D.L.O.3.
 3. If in doubt as to authenticity of employer's certificate, refer to Supervisor.

Agricultural workers as below:—

All insured under the Agricultural Insurance Scheme and workers, not so insured, engaged full time under contracts for work in agriculture.

Dry stone dykers

Hay pressers and trussers

Hop-pickers

Women's Land Army trainees

Land drainage workers (including Catchment Board workers)

Members of the Women's Land Army

Threshing machine workers

Tractor workers (including owner drivers)

Travelling blacksmiths and agricultural machinery maintenance engineers

Canal navigation maintenance workers

Charcoal burners working all the year round in forests, burning in portable kilns or pits

County and rural roadmen

Electrical linesmen and linesmen's mates working in open country

Fishermen not holding R.B.6 and on whose behalf special authorities have not been issued under DLO.3, 967.4

Forestry workers, including hauliers, fellers and saw millers in or connected with forestry who actually work in forests, timber workers employed at small saw

mills in country districts, and lorry drivers exclusively employed in the transport of timber between the forests and railway stations

Miners working underground

Ministry of War Transport Agency Services workers in isolated districts

Ordnance Survey Field Revisers

Permanent water bailiffs paid by Fishery Boards

Post Office engineers

Quarrymen—roadstone, limestone and slate, including chalk diggers and slag workers procuring slag for road construction purposes

Railway electrical sub-station staff

Railway manual workers, including those who work a continuous turn of 8 hours at a depot where there are catering facilities and owing to there being no rostered meal break are precluded from using such facilities

Sand pit workers

Scale repairers included under the description "Service Adjusters engaged on repairs and/or contracts."

Wagon repairers working on railway and colliery sidings

Waterworks undertakings employees

E. ADAPTED PROCEDURE RELATIVE TO SECTION B (c) AND B (e):

Conditions:

(a) Applicant is not a Ration Book holder, e.g., sick seaman on leave.

(b) Applicant is not or cannot be registered. *OR*

IS USING R.B.12 FOR THE TIME BEING.

1. Prepare R.G.48 in accordance with Section C., but with no retailer entry. N.B.—for Veg. Marg. strike out space B (quantity) instead of entering 2 oz.
2. Destroy the 2 carbon copies.
3. Then follow standardised procedure for issue of R.B.12.

F. REMOVALS:

(a) If requiring change of retailer.

1. Ask for name and address of new retailer.
2. Detach old R.G.48 from Ration Book and replace by a new one made out for the remainder of the period of validity.
3. Make appropriate entries on old and new R.G.12A (or R.B.8X).
4. Write name and address of new retailer on spare counterfoil and issue to the applicant.

(b) If not requiring change of retailer.

1. Enter name and address of retailer on new R.G.12A (or R.B.8X) and endorse as necessary.

G. RENEWALS:

Where the code on the expired R.G.48 was:

B, M, or ME

D, V, or VM

All others

The evidence needed for renewal is:

These do not qualify for renewal.

Code on expired R.G.48 is sufficient

Obtain fresh evidence similar to that laid down in Section A.

Note.—Any application, the renewal of which is limited to a maximum period, e.g., active worker away sick, limited under class II. (a) of MED.1 to 7 pints per week priority for a maximum period of six weeks, re-state on each renewal the first week of issue so as to make obvious the completion of the period—thus: 36/36 on issue, 36/37 on first renewal, 36/38 on second renewal, and so on till maximum covered.
